Headline:
Cloudy with some rain at first, becoming drier overnight. Breezy.

This Evening and Tonight:
Cloudy with some outbreaks of showery rain this evening and during the first part of the night. The rain will tend to ease during the early hours of the morning, with drier and occasional clearer spells developing. Rather breezy. Minimum temperature 11 deg C (52 deg F).

Thursday:
A largely dry and bright start, with some sunny spells. The chance of some showers developing into the afternoon. A rather breezy day for many. Maximum temperature 22 deg C (72 deg F).

Outlook for Friday to Sunday:
Often changeable throughout the period, with a mixture of sunshine and showers, these often heavy and possibly thundery at times. Feeling on the cool side.
